## WALL MOUNTED EXHAUST FAN

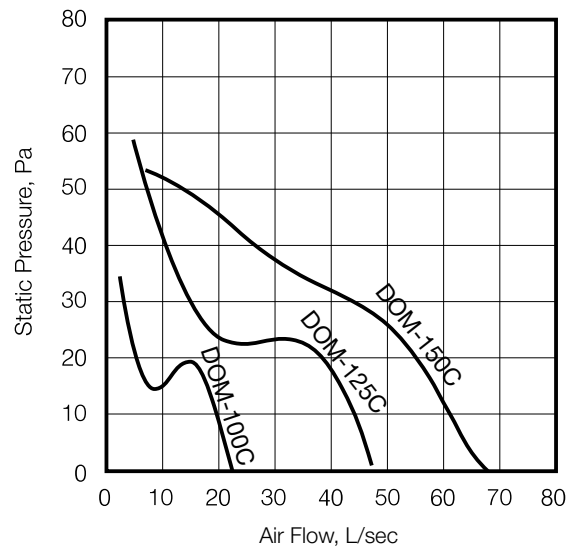

The Dom Series is a range of low cost, high performing and European made extract fans. They are reliable and well suited for domestic applications such as bathrooms, toilets and laundries.

- Made from tough injection moulded plastic.
- Available in the 3 most popular spigot sizes; 100, 125 and 150mm.
- Low loss, foil backdraft damper and “operating” light included.
- Front grille can be easily removed for cleaning.
- Internal thermal motor cut out protection.
- 230-240V, single-phase, 50Hz supply.
